

GARDENIAS

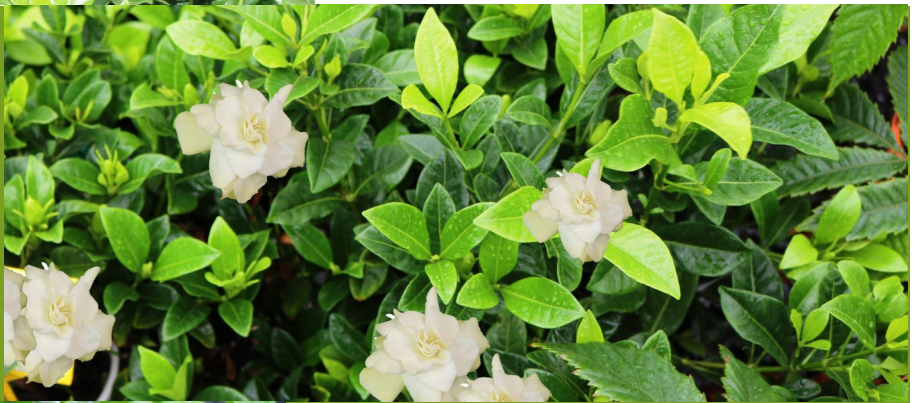

Gardenia 'Aimee Yoshiba'

Dark green, glossy leaves on a medium growing shrub to 2.5m. Double white fragrant blooms that flower prolifically from spring in to the warmer months. Prune to maintain shape but not too heavily.
H 1.5m x 1.2m

Gardenia 'Florida'

A medium growing shrub with glossy green leaves. Fragrant white blooms flower prolifically from spring through the warmer months. Protect from hot afternoon summer sun.
H 1m x 1m

Gardenia 'Golden Magic'

Golden Magic reaches 1m high with white blooms that turn golden yellow with maturity. Moderate watering required. Protect from hot afternoon summer sun.
H 1m x 1m

Gardenia 'Magnifica'

The large, double white flowers on Magnifica are beautifully scented. Ideal for containers, patios and gardens with afternoon shade.
H 1.5m x 1.2m

GARDENIAS

Gardenia 'Grandiflora Star'

Grandiflora Star differs from most Gardenias with its single white blooms with yellow centres over the warmer months. It has a compact habit and is great for containers, patios and attracting pollinators.
H 1m x 1m

Gardenia 'Ocean Pearl'

Ocean Pearl is a hard to resist plant with its wonderful perfume. It produces delightful, double pearl-white flowers from spring through to the warmer months. The glossy green leaves are the perfect backdrop to display the flowers and buds.
H 50cm x 60cm

Gardenia 'Radicans'

A dwarf, low growing form with fragrant semi-double white blooms in spring and summer. It has compact, glossy green foliage. Performs well as a border plant and in containers.
H 50cm x 50cm

Gardenia 'True Love'

Arguably the most popular of all Gardenias. True Love is a much loved variety because of its deliciously fragrant, large white flowers. The glossy dark green foliage makes a great backing to enhance the flowers. Ideal as a container plant or as a low hedge.
H 1m x 1m
