

## WESTRINGIA - NATIVE ROSEMARY

**AUSSIE BOX** (b) ▲ native box hedge. Can be pruned, if left forms a dense ball shape. It has mauve flowers in Spring/ Summer.

H 70cm W 70cm  
140mm Pot  
175mm Pot

**DEEP PURPLE** (b) ▲ has deep mauve flowers through the year. The foliage is a lush green and can be used as a low hedge or single specimen.

H 1m W 1m  
175mm Pot

**GREY BOX** (b) ► is a great native box hedge more compact than Aussie Box.

H 30-40cm W 40cm  
140mm Pot

Westringia are hardy natives that have similar leaves to rosemary with small white to purple flowers. There are many forms available from tall shrubs to groundcovers. The varieties vary from variegated leaves to dark green and green-grey foliage. They are coastal tolerant and require minimal water once established.

**LOW HORIZON** ▲  
**'WES06'** (b) A tough groundcover requiring minimal maintenance other than the odd prune.

H 30cm W 70cm  
175mm Pot

**BLUE GEM** (b) ▲ has masses of vivid blue/purple flowers predominately in Spring. Dense bushy growth makes a good medium hedge.

H 1.5m W 1.3m
