Safari Daisies™

Arctotis

The Safari series has been revamped! Combining the best of the original series and six new varieties offering new improved breeding, sensational new colours, a neat compact habit and a height to 20cm.

- Fantastic new range of colours that hold true.
- Flowering from late autumn through to spring, these are an **ideal winter crop**.
- Large flowers above attractive grey-green, lacy foliage, providing great colour contrast in the garden.
- Great for use in the home garden and in commercial applications
- Suited to and presents well in a 140mm or 175mm pot.

Notes from the Ramm Botanicals R&D Team:

- Versatile, hardy and low growing
- Outstanding long flower through winter. The daisy-like flowers bloom from late autumn through to spring.
- Drought tolerant, reliable and suitable for coastal conditions.

TECHNICAL DATA***Arctotis Safari Daisies™***

GENUS/SPECIES	<i>arctotis fastuosa</i>
VARIETY	Safari Daisies™
COMMON NAME	African Daisy
PRODUCED FROM	Cuttings
KEY NOTES/ATTRIBUTES	Hardy, low growing and compact habit. Sensational winter colour that holds true.
HEIGHT	45cm
WIDTH	75cm
HABIT	Compact, mounded growth habit. Perfect groundcover
MAINTENANCE	Pinch once at planting, growth regulators not required
SEASONAL CLIMATE ZONE	Zones 1 to 3
RECOMMENDED POT/PLUG RATIO	1 plug per 140mm or 175mm pot; 2 plugs for baskets
FLOWERING PERIOD	Late autumn to spring, during cooler months
GROWING MEDIA PH RANGE	pH 6.0-6.5
WATERING	Plants will tolerate extended periods of dryness but will flower better if kept moist during dry weather. Can definitely be considered drought tolerant when acclimatised to minimal water once they're planted.
FERTILISER	An application of complete garden fertiliser in spring and again in late summer will help promote strong growth and an abundance of blooms.
PESTS & DISEASES	There are no serious pests or diseases likely to be encountered in the garden.
FINISHING TIMES	In 140mm pot, 12-14 weeks
LIGHT REQUIREMENT	Full Sun

Notes:

Bred in Australia for Australian conditions by NuFlora
